(e) All handlers shall be given an equal opportunity to participate in such purchase of unrestricted (free percentage) cranberries. If a larger quantity is offered than can be purchased, the purchases shall be made at the lowest price possible. If two or more handlers offer unrestricted (free percentage) cranberries at the same price, purchases from such handlers shall be in proportion to the quantity of their respective offerings insofar as such division is practicable. The committee shall dispose of cranberries purchased as restricted cranberries in accordance with § 929.57. Any funds received by the committee for cranberries so disposed of, which are in excess of the costs incurred by the committee in making such disposition, will accrue to the committee's general fund.

(f) In the event any portion of the funds deposited with the committee pursuant to paragraph (c) of this section cannot, for reasons beyond the committee's control, be expended to purchase unrestricted (free percentage) cranberries to replace those withheld cranberries requested to be released, such unexpended funds shall, after deducting expenses incurred by the committee, be refunded to the handler who deposited the funds. The handler shall equitably distribute such refund among the growers delivering to such handler.

(g) Inspection for restricted (withheld) cranberries released to a handler is not required.

(h) The committee may establish, with the approval of the Secretary, rules and regulations for the implementation of this section. Such rules and regulations may include, but are not limited to, revisions in the payment schedule specified in paragraphs (c)(7) and (c)(8) of this section.
